WITHDRAW HOLDING OF ABANDONMENT (BASED ON FAILURE TO RECEIVE
NOTIFICATION OF MISSING REQUIREMENTS
PURSUANT TO MPEP 711.03(c)I)

SIR:

This communication is being filed in response to a Decision on Petition dated September 12, 2008. In the Decision on Petition, Examiner Dombroske indicated that the PETITION UNDER 37 C.F.R. 1.181(a) TO WITHDRAW HOLDING OF ABANDONMENT did not include the docket record showing where the Notification would have been docketed for response on the initial due date for the response, and therefore did not satisfy all the necessary requirements for withdrawal of the holding of abandonment.

In response, the Applicants provide herewith a copy of the docket record for the period 05 August 2006 through 07 August 2006 showing where the Notification would have been docketed for response on the initial due date for the response. Accordingly, a favorable decision on this Petition is respectfully requested.

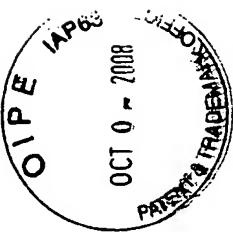

No fee is believed to be required in connection with this communication. However, if any fee is required, please charge to Kenyon & Kenyon LLP Deposit Account No. 11-0600.

Respectfully submitted,
